Colour	Brown

Diesel Magic

Product Features:

- A highly concentrated fuel additive, which rapidly removes harmful deposits for use in diesel powered vehicles.
- Suitable for all diesels including TDI, CDI and HDI types.
- Cleans diesel injectors fast.
- Suitable for use in light and heavy duty engines.
- Can be used with common rail fuel injector systems.
- Works while you drive.
- Ideal for use with low sulphur diesel fuel.
- Helps to: restore lost power & acceleration, increase
- fuel economy; reduce engine emissions and black sludge.
- Improves cold start performance and reduce 'diesel knock' noise.

Directions for use:

1. Pour entire contents into your fuel tank.
2. Treats up to 60 Litres of diesel
3. DIESEL MAGIC works while you drive.

Handling:

- Avoid extremes of temperature.
- Product in cardboard cartons must be stored under cover and away from damp conditions.

Shelf Life:

- 5 years from date of manufacture.
- Manufacture date can be identified from an eight digit code printed on the bottle. YYYY.MM.DD.
